Course Description: This course is designed to allow students to manage money effectively on a personal basis. Topics covered include financial starting points, budgeting, principles of insurance, consumer credit, investment principles, buying and selling stocks and bonds, retirement, and estate transferal; also, open to non-business majors.

College Graduate Competencies:

The college graduate competencies (CGC) that are directly addressed in ASAP 225 are:

1. Think creatively, critically, logically, and analytically using both quantitative and qualitative methods for problem solving;
2. Attain critical skills, frame of reference, and understanding needed to appreciate and discriminate between artistic achievements.

Course Objectives:

1. Learn and apply the multiple scenarios related to personal finance
2. Identify value and a methodology for approaching issues – as a discipline means exactly and apply, argue, and possibly defend from a layperson’s perspective - investment decisions based on standards, return goals and objectives
3. Use software to aid in making financial decisions

Attendance Policy:

In accordance with college policy, classroom attendance is required. The following standard will be applied:

1. If unexcused absences total 15% of the regularly scheduled class meetings, the instructor has the authority to lower the final grade by one letter.
2. If unexcused absences total 20% of the regularly scheduled class meetings, the instructor has the authority to give a failing grade.

3. Five tardies—arrival to class five minutes after class has begun—will equal one unexcused absence.

Technology Use:

LeMoyne-Owen College is committed to enhancing student learning using a variety of applicable technology. In this course, students will use or be exposed to Microsoft Excel and online finance resources.

Demeanor:

Suitable demeanor, posture and attire are required. For guidelines and the dress code, please refer to the 2015-2016 Student Handbook (4-6, 8, 12, 28-37).

Classroom Policies and Procedures:

The classroom learning experience provides opportunities for faculty and students to engage in interactive exchanges of course content. To facilitate this exchange, the following guidelines are provided:

1. Because each class session covers vital material and information, it is important that students arrive on time to each class session.
2. To enhance students' performance and confidence in acquiring the material, it is critical that students come to each class session prepared. This includes bringing to class required texts, supplemental materials, and assigned work, which is provided on the course outline.
3. To limit unnecessary distractions which would deter learning, cell phones, multi-media devices, and laptops are required to be turned off or on vibrate when class is in session, except by permission of the faculty.

Faculty reserve the right to apply penalties for noncompliance to either or all the above guidelines.

Assignments and Submission Requirements:

Because of the accelerated nature of this class, students in this cohort will be expected to complete 20-25 contact hours outside of class on group assignments and/or projects. **Unless otherwise instructed, students will submit assignments by email to the instructor.**

Assessment and Submission Requirements:

Students will be assessed based upon class participation, graded exercises, quizzes, mid-term exam, individual and/or group projects, and a final exam.

Policies Related to Students with Disabilities:

Policies Related to Students with Disabilities:

If you need course adaptations or accommodations because of a disability, if you have emergency medical information to share, or if you need special arrangements in case the building must be evacuated, please make an appointment with Jean Saulsberry, Director of Student Development, as soon as possible at (901) 435-1727.
